Sample Weekly Lesson Plan-

Letter of the Week: _____ Monthly Theme: _____

	Monday	Tuesday	Wednesday	Thursday	Friday
Key Concepts	Each day the curriculum will cover a key concept, for example, Language, Math, Science, and Motor Skills.				
Morning Circle Time	We will introduce the day's activities in morning circle and review the daily calendar and weather, participate in music, stories and sharing and introduce the monthly theme.				
Story	Stories are introduced through dramatic play, felt board, puppetry, and poetry.				
Small Group One	During the small group activities children will be exposed to teacher directed as well as child centered activities in phonics, math, writing, science, social studies, and large and fine motor development. Children will work from the classroom tables and one of the centers specializing in dramatic play, sensory, science, math, writing, art, listening, or reading.				
Small Group Two					
Special Program	We offer special programs in Library, Music, and Computer. These programs vary for children at the preschool and pre-kindergarten level only.
